HANEDAN BAKIRCILIK

Where Mastery Meets Traditional Elegance

At Hanedan Bakırcılık, we transform copper craftsmanship into an art form. With over 15 years of experience, we create products that blend aesthetics with functionality.
From our Ocakbaşı grills to sand coffee sets, tea boilers, rotisserie grills, and grill tables, each item is a masterfully handcrafted piece inspired by tradition and shaped with quality.

OUR MISSION

To preserve the centuries-old heritage of Turkish copper craftsmanship by creating timeless products. To offer our customers not just a product, but lasting satisfaction and visual richness.

OUR VISION

By combining modern design principles with ancient craftsmanship, to establish Hanedan Bakırcılık as a leading representative of traditional production not only in Turkey but also worldwide.

DECORATIVE COPPER GRILL

Hanedan Bakırcılık – Aesthetic Mastery in Barbeque & Grills

Hanedan brings together the elegance of copper with the rich tradition of ocakbaşı culture, standing out through aesthetic designs and high-quality craftsmanship.

Our custom-designed copper grills can be personalized with logos, company names, patterns, and visuals meticulously engraved on the copper surface according to client requests.

With various sizes and design options, we offer professional solutions in ocakbaşı grill manufacturing tailored to your needs.

CLOSED SIDES MODEL

The three-sided closed copper grill prevents both smoke and odor from spreading.

DECORATIVE COPPER GRILL

OPEN SIDES MODEL

With larger dimensions than the grill, the hood effectively extracts smoke and odors. In addition to custom engravings, logos and business names can be meticulously engraved on the copper surface.

FREESTANDING MODEL

Our closed and open model barbecue grills with legs and shelves offer functional usability.

HANEDAN

GLASS MODEL

Three-sided copper grill models enclosed with tempered glass prevent the spread of smoke and odor, while offering an elegant appearance.

DECORATIVE COPPER GRILL

CABINET MODEL

The grill and table feature a closed cabinet underneath, allowing you to neatly store all kinds of materials.

LOGO ENGRAVED

On our copper ocakbaşı grill models, all types of text, logos, company names, and images are engraved onto the copper surface, along with various patterns.

JUMBO SIZE

For large businesses with high customer volume, extra-large grills are manufactured in sizes of 2 meters, 3 meters, 4 meters, or even larger.

DECORATIVE COPPER GRILL

COUNTER MODEL

In counter-style grill models, meatballs and kebabs are served directly from the fire to your plate. Counter models are an essential part of the barbeque experience.

FRIDGE MODEL

You can store your meat and vegetables in the refrigerated cabinet located just below the grill table. Offering practical use, our grills with refrigerators are manufactured in all sizes.

OTTOMAN-STYLE COFFEE MAKER

Graceful coffee pleasure - Elegant Coffee Maker by Hanedan Bakırcılık

Crafted by Hanedan Bakırcılık, the Ottoman-Style Coffee Maker brings the timeless elegance of the past into modern spaces with its nostalgic design and intricate craftsmanship. Equipped with countertop apparatuses, it transforms the experience of preparing coffee on sand or embers into a visual and cultural delight — blending traditional presentation with a refined, contemporary flair.
